Experience

July 2025-Jan 2026

Thrive Visibility

UI/UX Design Intern

- Designed landing pages and dashboards focused on lead generation and user onboarding.
- Simplified user workflows and interface interactions with consistent layouts and easy-to-use design
- Collaborated with developers and PMs to standardize components, styles, and design guidelines
- Applied UX principles to improve clarity of CRM features, reducing user learning curve.

Jan 2024-Sept 2024

NIT Jalandhar Website

Product Design Member

- Co-designed the NIT Jalandhar website, focusing on clear content structure and usability.
- Worked closely with designers & developers to translate requirements into clean, responsive UI.
- Designed intuitive navigation and page hierarchies to help students and faculty find information easily.
- Applied modern UI/UX principles to enhance readability, accessibility, and visual consistency.

Case Studies

Dayly App [View Case Study](#)

- An all-in-one productivity app that combines journaling, habit tracking, calendar planning, and to-do lists.
- Helps users stay organized, consistent, and mindful through a clean, intuitive interface.

Wandrly [View Case Study](#)

- Wandrly is a travel companion app created to simplify trip planning and exploration.
- Helps users discover the best restaurants, hotels, attractions, and real-time weather updates in any location.
